

Learn, Advice, & Grow: by Peter Irvine

My passion is to see business people come alive to their full purpose and potential in life, see them lift to a new level and establish a purpose beyond themselves that motivates and stretches them.

Sometimes being able to receive worthwhile input and have the opportunity to dialogue and receive direction, takes you to a new level.

I have developed the following package to assist, grow and encourage you.

Package: \$99/month (total 12 month investment of \$1,188 incl GST)

You will receive:

Benefit 1: Each week, for 52 weeks a "business and life vitamin"– available in a readable format for your computer, android or i-device. Subjects to be covered over the 12 month period like:

- *Innovation.*
- *Customer service.*
- *Building a team.*
- *Communication*
- *Building an actionable plan.*
- *Successful marketing*
- *Marketing briefing template.*
- *Leadership*

Benefit 2: Consulting advice as part of your monthly subscription where you email questions or issues and receive input and advice over the 12-month period.

I have learnt from 50 years of working in advertising across a wide variety of businesses, including FMCG, Business finance, retail and building products. I have learnt lessons in launching a national brand and taking it internationally as well as consulting to a wide variety of businesses. Learn from my experiences with many companies like Gloria Jean's Coffees, McDonald's.

To proceed, please fill out your details below, scan and email to info@privine.com so we can get you started.

I look forward to hearing from you.
